Re: Henry, et al. v. Brown University, et al., Case No. 1:22-cv-00125
Claim Number: CTDU1002570-REJ

To the Court,

I am writing to appeal the rejection of my claim in the above settlement.

I was informed on 08/27/25 by email that my claim was rejected because I did not respond to a deficiency notice that was supposedly sent in May 2025. However, I never received any such notice. If I had received it, I would have responded right away and provided whatever was needed to resolve the deficiency.

Because I was not given the chance to correct this issue, I believe my claim should not be rejected. I respectfully ask that the Court review this decision and allow my claim to be reinstated with the ability to correct any deficiencies that may exist.

Thank you for your time and consideration.

Sincerely,

Aubrey Bonhivert
